SHORT LOCALS.

Brief Items of Interest Throughout the Town and County.

A number of local Knights of Pythias went to Olar Monday night to witness the conferring of the third rank at the Olar lodge.

Mr. John Grimes, of Cope, last Wednesday caught a fine rock fish in the South Edisto river, near Roberts swamp. The fish weighed 18 pounds.

The friends of Mr. M. J. Black were glad to see him out on the streets again Tuesday. Mr. Black has been ill with pneumonia for several weeks.

The friends of Mrs. H. F. Bamberg will be glad to learn that she has returned to the city from the Johns Hopkins hospital, Baltimore, and that she is rapidly recovering.

Mr. Sam Bogen has opened a new dry goods and furnishing store at Denmark, under the name of "The Leader." Mr. Bogen is an experienced merchant, and promises the people of Denmark an up-to-date store.

Miss Mary Williams was carried on Friday afternoon to a Charleston infirmary, where an operation was performed Saturday morning for appendicitis. Her many friends will be glad to know that the operation was successful, and that she is rapidly recovering.

The union meeting of the first division of the Barnwell Baptist association will be held at Hunter's Chapel church next Saturday and Sunday. Union meeting services will also be held at Olar on the same day. The public is cordially invited to attend the services.

Messrs. D. F. Hooton, E. A. Hooton, Henry Stokes and A. M. Brabham visited the plantation of Mr. Tatum Zeigler near Cope Tuesday afternoon. They were especially interested in a field of crimson clover, which they state is very fine. Mr. Zeigler is a modern farmer and has an interesting plantation.

Mr. C. W. Bessinger, of the Govan section, a good friend of The Herald, was in the city on Monday. Mr. Bessinger, in talking about politics, said that many of his friends had been urging him to make the race for coroner; but that, while he greatly appreciated their interest in him, he had decided not to run this year.

Prof. J. C. Guilds last week attended the meetings of the Marion district conference at Clio, and the Orangeburg district conference at Allendale, in the interest of Carlisle school. He states that he met with much encouragement on the trip. This week he will attend the Charleston district conference at Bowman.

The revival meeting at the Baptist church, which was conducted by Evangelist Montgomery and his son came to a close Sunday night. The meeting lasted nearly two weeks, and resulted in a great many additions being made to the church. The evangelist left Bamberg for Memphis, Tenn., where he is now conducting a revival.

Next Thursday, May 4th, will be observed as memorial day by the Rivers Bridge Memorial association, and the usual memorial exercises will be held. Congressman James F. Byrnes, of Aiken, will be the principal speaker of the day. The public is cordially invited to attend the exercises, and the ladies are earnestly requested to bring flowers.

Death of Mrs. Arsula Walker.

Mrs. Arsula Rebecca Walker, widow of Mr. William M. Walker, was born in Bamberg county March 23, 1858, and died April 20, 1916. To them were born ten children, eight of whom survive her. The children are: Eddie, Sula, Lizzie and Rosa Walker, Mrs. D. P. Rentz, of Lakeland, Fla.; Mrs. R. W. Rhoad, of Fort Green Springs, Fla.; Mrs. W. G. Kirkland, of Bamberg; Mrs. Hastings Beasley, of Elko.

In early childhood she joined the Methodist church. She was in bad health a few months before death, but was apparently as well as usual the morning she died. Acute indigestion was the cause of her death.

The funeral was conducted at Pleasant Hill church—April 21, at 10 a. m., by her pastor, Rev. C. S. Felder. Her remains were laid to rest in the church cemetery to await the resurrection morn.

She was a consecrated Christian, a devoted mother, a kind neighbor, and a friend to all.

Engagement Announced.

Dr. and Mrs. George F. Hair announce the engagement of their daughter, Blanche, to Mr. John James Cudd, of Spartanburg, the wedding to take place June 14th.

BAMBERG CLUB REORGANIZED.

Resolution Passed Favoring Abolishing State Campaign Canvass.

The Bamberg central Democratic club met last Saturday afternoon at the court house and reorganized. The meeting was well attended, considering the fact that it was held Saturday afternoon, when the merchants and business men are usually very busy. About forty Democrats were present. The introduction of a resolution favoring abolishing the county-to-county canvass precipitated a lively discussion, resulting in the final passage of the resolution by a considerable majority of those present. No other resolutions were introduced.

The meeting was called to order by the president, Dr. J. B. Black, at four o'clock. The first business of the club was the election of officers for the next two years. The following were elected:

President, Dr. J. B. Black; vice president, H. C. Folk; secretary and treasurer, G. A. Jennings; county executive committeeman, H. C. Folk; registration and enrollment committee, R. W. D. Rowell, Dr. George F. Hair, J. J. Smoak; executive committee, John F. Folk, E. F. Free, J. W. Stokes.

The following delegates to the county convention, which meets at the court house on Monday, May 1st, were elected, the club being entitled to thirteen: J. C. Guilds, W. A. Klauber, J. A. Wyman, H. C. Folk, J. B. Black, Dr. George F. Hair, D. R. Matheny, J. W. Stewart, B. W. Miley, R. M. Hitt, W. E. Free, J. W. Stokes, J. D. Copeland, Jr.

On motion, it was decided to allow each delegate to name his own alternate.

At this point, Mr. J. A. Wyman introduced a resolution to the effect that it was the sense of the club that the county-to-county canvass by State office candidates be abolished, and that the delegates to the county convention be requested to bring the matter before the county convention for favorable consideration.

Mr. Wyman spoke briefly in favor of doing away with the canvass as now conducted. The campaign plan had outlived its usefulness, he said, and the time is propitious for its discontinuance, this State being one of few still retaining this plan of campaigning.

Col. John F. Folk spoke in favor of the continuance of the canvass, stating that it was an attempt on the part of the daily newspapers and some of "the snide little weeklies" to gain a firmer foothold on the politics of the State and wield more influence in naming the State officers.

Mr. B. W. Miley favored the canvass, because, he said, the people can turn out all in one day and hear and see the candidates.

Mr. H. C. Folk, replying to the point that this was not the proper place to make the fight, stated that if the will of the people is to be secured, the club meeting is the place for the matter to be discussed.

Messrs. W. E. Free, J. W. Stewart and others also made short remarks on the subject.

Col. Folk moved that the resolution be tabled. On a vote being taken, the club voted not to table the resolution. The vote was then taken on the resolution, which was passed by a considerable majority.

On motion of Mr. H. C. Folk, the delegation was "instructed," instead of "requested," to present the matter to the county convention.

There being no further business to come before the club, a motion to adjourn was carried.

Clear Pond Elects Officers.

The Clear Pond Democratic club met last Saturday evening, reorganized and elected the following officers: G. W. Folk, president; R. F. McMillan, secretary; J. B. Padgett, executive committeeman.

Kearse Club Reorganizes.

The Kearse Democratic club met on the 22nd and reorganized by electing J. J. Kearse president, J. S. Breland vice president, H. W. Chitty secretary, J. A. Peters, Sr., executive committeeman.

Delegates to county convention: C. L. Brant, J. A. Peters, H. W. Chitty.

A committee to look after registration certificates and young men coming of age before the election was elected as follows: L. M. Ayer, C. L. Brant, Dr. H. M. Brabham.

The club instructed its delegates to vote against a county-to-county campaign by candidates for State offices; and the club endorsed Woodrow Wilson's administration.

Cope Democratic Club.

The Cope Democratic club met and reorganized Saturday afternoon. The following were re-elected: W. O. Tatum, president; N. J. Thomas, vice president; W. H. Zeigler, secretary. J. C. Shuler was elected executive committeeman, and the following were elected as delegates to the county convention: J. C. Hayden, W. S.

CARLISLE PLAYS FINE GAME.

Defeated Columbia High School in Fast Game Monday.

The Carlisle school team defeated Columbia high Monday, 3 to 0. The following story of the game is from Tuesday's State:

Carlisle school staged a ninth inning rally yesterday afternoon and won a pitchers' battle from Columbia high, 3 to 0. It was one of the fastest, prettiest games of the season in Columbia (college, Sallie league and other games not excepted).

Capt. Luther, of the home hopes, and Parnelle, for the Bamberg boys, divided the pitching honors and if the Columbia support had not weakened in the last round the two teams would probably have been tied up yet. Luther struck out 11. Parnelle whiffed ten; Luther walked one, Parnelle walked none; Luther hit one batter, Parnelle hit none; Luther allowed three hits, Parnelle allowed three hits; Parnelle allowed one extra base hit, Luther allowed none; only one of Luther's hits went out of the infield.

The first man to reach first base on either side was Elkins, who was hit by a pitched ball in the fourth. Columbia's first man on base was in the sixth, when Luther singled to center. Parnelle struck out the entire Columbia side in the first round, and in the fourth each Columbia batter went out, Forman to E. Moore.

The Carlisle runs were made when Skinner, the first batter in the last round, was safe on Pearce's error, and went second when Moore errored Kohn's throw to catch the runner at second on Lenoir's fielder's choice. Then Forman laid a bunt between pitcher and third, which rolled safe, and the bases were full. Elkins got an infield hit on which Skinner scored, and the bases were still jagged. McLeod's fielder's choice was played to the plate too late to get Lenoir at home, and again the bases were full. Kohn errored to Parnelle's roller, and Forman scored, and Kohn recovered the ball in time to nail Elkins at the plate. The next two batters were easy outs. The box score:

Loses Game in Eleventh.

Florence, April 25.—In a hotly contested game here this afternoon between the teams of the Florence high school and the Carlisle school, of Bamberg, the locals won out in the eleventh inning, 2 to 1. Both teams scored in the first inning, after which the pitchers settled down and a merry battle was the result.

In the eleventh inning, with the bases full, Blizzards singled and scored Holland with the winning run.

Pitcher Blount, for the home team, featured with hitting. P. Howell also hit well for Florence, while the catching of Smith is worthy of mention. For the visitors the pitching of Zach Weeks featured.

Batteries: Carlisle, Weeks, Parnelle and Lenoir; Florence, Blount and Smith. Umpires, Spough and Inman.

Lee, W. H. Zeigler, Rhett Shirer, W. O. Tatum and J. B. Williams. Committee on enrollment: W. H. Zeigler, N. J. Thomas and J. C. Shuler.

A committee on resolutions, consisting of R. K. Henerey, W. O. Tatum and W. H. Zeigler, drew up the following:

"Resolved, That the Cope Democratic club, reorganized this 22nd of April, is unalterably opposed to the abolition of the county-to-county campaign by the State candidates, and the precinct-to-precinct campaign of the county candidates, and instructs its delegates to the county convention to vote in said convention accordingly."

BUY AT HOME CAMPAIGN.

The Herald Inaugurates New and Novel Advertising Service.

With this issue of The Bamberg Herald, we inaugurate an advertising service that is both new and novel to this section. It is known as the "buy-at-home" campaign. This service is fully copyrighted, and is secured at considerable cost to this newspaper.

On another page will be found the first of the series. The series consists of 52 cartoons and editorials, the object of which is to arouse the public to the importance of buying at home rather than sending their money away from home.

Our readers and friends are asked to read every one of these splendid articles and to study the illustration accompanying the article. These articles are written by experts who know what they are talking about, and we think our readers will fully agree with us, after they have seen a few of the series, that they are certainly to the point.

There will be a new editorial and a new cartoon in the centre of the page of advertisements each week, each one with a message for the people of Bamberg, which, if heeded, will bring more prosperity to the town, and, through the town, to the individual.

Incidentally it may be remarked that Bamberg is, so far as we have any knowledge, the smallest town in the State carrying this service. In fact we do not know of but three other towns in the State now carrying on this campaign—Columbia, Newberry and Greenwood. So it may be seen, we are really keeping excellent company.

We bespeak for the enterprising merchants joining The Herald in this campaign the good will and patronage of the people. It costs both the merchants represented on the page and The Herald a good bit of money to carry out the campaign, and we hope the people will appreciate it to the extent of giving these loyal Bamberg dealers their business hereafter instead of sending it away where the money will never be heard from again.

We hope to inject new features into the campaign from time to time, so don't fail to keep up with it. In fact we hope to make a most important announcement within the next week or so. Look for it.

District S. S. Convention.

The Orangeburg District Sunday-school convention which was held here last Thursday and Friday was well attended and the services were interesting and instructive. Among the distinguished visitors present was Mrs. Cans, of Canada. She is an able speaker and her talks were highly enjoyed. Rally day exercises on Friday broke somewhat into the conference programme, but as a whole the meeting of these Sunday-school workers proved a success from every viewpoint, and St. George was glad to have them here. The next conference will be held at Bamberg.—Dorchester Eagle.

Death of Mrs. Mary E. Beard.

Mrs. Mary Elizabeth Beard died at her home in the Colston section Thursday night, April 20th, at 10 o'clock. Mrs. Beard, or "Aunt Mary," as she was called, was in her 90th year. She leaves four children and a host of friends and relatives to mourn her death.

The children of the deceased are: Mrs. J. B. All, Mr. George Beard, Mrs. Beck O'Quinn and Mrs. Sudie Brown.

The remains were interred at the Colston cemetery Saturday at 11 o'clock, the funeral services being conducted by her pastor, Rev. J. R. Smith, of Ehrhardt.

Mrs. Beard was known to and loved by a large circle of friends, who learn of her death with peculiar sorrow. The annual gatherings in celebration of her birthday will be long remembered.

Free-Ducker.

Tuesday afternoon, Miss Gladys Free and Mr. Thomas Ducker were quietly united in marriage at the home of the bride on Bridge street, Rev. W. R. McMillan performing the ceremony. Only the immediate relatives of the bride and groom were present at the ceremony. Mr. and Mrs. Ducker left in the early afternoon for a few days' visit to various points in the State. On their return, they will be at home at their residence on Bridge street, which has just been completed.

Mrs. Ducker is the daughter of Mr. and Mrs. B. F. Free, and is popular among a large circle of friends in the city and county. Mr. Ducker is one of the city's foremost young business men. The happy young couple have the best wishes of their many friends for a long, happy and useful life.

UNION MEETINGS.

Programme of Subjects to Be Discussed at Two Churches.

The following is the programme of the union meetings to be held at Olar and Hunter's Chapel churches next Saturday and Sunday:

Topics.

2. Are our churches and pastors careful to study the times in which we live and do we strive to serve our Lord according to present needs and demands?

3. Qualifications and duties of deacons.

4. What should be the attitude of a church toward a member who does not give of his means to the Lord's cause or attend church?

Speakers at Olar.

1. W. L. Hayes, J. O. Sanders.
2. J. R. McCormack, W. T. Cave.
3. J. M. Grubbs, W. H. Hutto.

Death of Old Veteran.

Last Thursday night, Mr. W. W. Williams, a well known citizen of Bamberg, died at his home in the city. Mr. Williams' death came very suddenly. While his health had not been very good for some time, he was as well as usual during the day. The remains were interred Friday at Denmark, the Rev. H. G. Hardin conducting the funeral services.

The deceased is survived by four children, one daughter, Mrs. Hyce Love, and three sons, Messrs. Edward, Webb and Ambrose Williams.

Mr. Williams was 77 years of age. He served throughout the four years of the civil war, serving under Capt. Ben Webb. He was a member of the Methodist church, and had hosts of friends throughout the county.

Boys' Club Supervisor Here.

Mr. Lucius L. Baker, of Bishopville, supervising agent of boys' club work, U. S. department of agriculture, spent last Thursday in the city. Mr. Baker came over to confer with the county demonstrator, Mr. J. J. Heard, with regard to the boys' clubs in this county. Mr. Baker supervises this branch of the farm demonstration work.

Under his direction the work of the corn clubs and pig clubs is carried on. Mr. Heard has already organized a number of the boys of the county into a corn club, and a good start has been made by them. Mr. Baker stated that the pig club would be organized in this county in due time.

The pig club will be something new for Bamberg county. These clubs have been conducted in other counties with great success, and it is believed that Bamberg will make a fine showing in this direction this year. The plan is to get as many boys as possible to feed pigs during the late summer for 120 days. Suitable prizes will be awarded to the boys who make the best showing. The awarding of prizes is determined by the amount of flesh added to the pigs, the cost of the feed, the neatness and accuracy of the reports, etc.

As the raising of hogs has been demonstrated already in this county as being profitable, the inauguration of the boys' big club work will doubtless do much to increase this industry this year.

Robbed Express Office.

Saturday night some party or parties entered the express office in the Southern railway passenger station, and stole three gallons of whiskey. No clue has been found to indicate who the burglars are. Nothing was missed other than the three cartoons of whiskey.

Entrance to the office was effected through the ticket window which was smashed with a piece of iron. An effort was made to enter the cash drawer, but the burglar evidently gave it up for a bad job. The cash drawer contained four or five dollars in change.

The cartoons in which the whiskey was shipped were found, it is stated, Monday near the Farmers Gin company plant.

You will enjoy hearing the Bohannans on Friday evening.—adv.

County Convention Monday.

Next Monday at noon the county Democratic convention will be held at the court house. It is expected that the convention will be well attended, as politics usually "run wild" every "big election" year, and the people want to get the benefit of all the excitement there is going.

The most interesting matter, perhaps, that will come up before the convention will be the county-to-county campaign. Several of the clubs of the county passed resolutions last Saturday in regard to this matter, and the city club instructed its delegates to present resolutions to the county convention favoring abolishing the canvass as at present conducted. So the matter is bound to be threshed out.

The outgoing county executive committee, will meet at the court house at eleven o'clock on the same day as the county convention. All members of the old committee are asked to be on hand promptly at this hour, so that the business of the committee may be concluded before the convention is called to order.

Bond Election Next Tuesday.

Next Tuesday, May 2nd, the voters of Bamberg will be called on to vote upon the question of whether or not the city of Bamberg will issue \$15,000 in bonds for the extension of the waterworks system of the city and for the necessary improvement to the power plant to operate the waterworks. All registered voters will be allowed to vote at this election, whether they are freeholders or not. Only freeholders are allowed to sign the petitions calling for the election.

Two ballots will be required. One ballot is for issuing \$10,000 in bonds for the purpose of extending the waterworks system and sinking a deep artesian well to supply a plentiful supply of pure water, and for providing proper means of distributing the water in a sanitary manner, so that there will be no danger of contamination. The other ballot will be for issuing \$5,000 in bonds for the purpose of making the necessary improvements to the power plant, to operate the new waterworks system.
